

You are bidding on a very rare 1970 Barracuda project with the very rare M46 option in the original color Lemon Twist Yellow w black interior. For those not familiar below is a short explanation of the M46 option. This is not your run of the mill 70 E body. ONLY 433 PRODUCED IN 1970 THIS IS ONE OF 415 EVER BUILT W V8. The car has all new AMD sheet metal where needed tacked and fitted needs some spot welds finished. The fender aprons, cowl, frame rails, rocker panels, rear shock mount sections and drivers door (with original ID tag build date 9-69) are original and rust free. The original fender tag is on the car and decoded below. Car has original matching numbers 318 and 904 trans (not running as of posting but complete all there except air cleaner) but the engine had a factory 340 4bb1 intake and aftermarket headers added in the 80's i do not have the 2bb1 OEM intake but i do have the carb. Here is a list of the parts that come with this purchase all in perfect or very good condition

- perfect black dash pad
- rally gauge cluster and trim
- black overhead console
- black floor console & shifter
- new bumpers front and rear
- perfect glass
- perfect grill & headlight trim
