DESCRIPTION:.

You taking a look at a very hard to discover 1970

Barracuda job with the really unusual M46 option in the original color Lemon Twist Yellow w black interior. For

those not familiar below is a brief explanation of the M46 choice. This is not your run of the mill 70 E body. ONLY

433 PRODUCED IN 1970 THIS IS ONE OF 415 EVER BUILT

W V8. The vehicle has all new AMD sheet metal (\$10K

worth) where needed tacked and fitted requirements area bonds completed. The fender aprons, cowl, frame rails,

rocker panels, rear shock mount motorists and sections door(with original ID tag build date 9-69) are original and

rust free. The original fender tag is on the vehicle and

deciphered below. Automobile has original matching

numbers 318 and 904 trans (not running since publishing

however finish all there except air cleaner) however the engine had a manufacturing facility 340 4bbl intake and aftermarket headers included in the 80s i do not have the 2bbl OEM intake however i do have the carb. Right here is a list of the parts that have this purchase all in very good or best condition- ideal black dash pad- rally gauge cluster and trim- black overhead console- black floor console & shifter- new bumpers rear and front- perfect glass- perfect grill & & headlight trim- M46 rocker panel scoops- rust totally free rally hood- black door panels- all M46 certain outside trim- 2 sets of tail lights- 15" rally wheels- front and rear seats / frames in requirement of re-upholstery- LOTS of misc parts and bonus plus an AC box if you wish to add factory air *** The only thing i do not have for this car is the seat covers, headliner and carpeting that i understand of and some parts are initial and unrestored

New AMD sheet metal consists of:- DS and PS 1/4 panels- front valance- rear valance- deck cover- PS and DS front fenders- roofing skin- external trunk filler in between deck lid and rear glass- New front and rear floor sections- New 1 piece trunk pan- New side trunk drops

\$10K bought brand-new AMD body panels !! The car includes all parts noted above and is not missing much. Kindly check out above thoroughly and ask all questions before you make an offer or purchase it now !!!!!!!!!!!!!!!!!!!!! I

can be reached by phone at 9 04 2 three 8 38 7 absolutely no. Buyer is liable for all transport arrangements and cost from 32656 Keystone Heights, Florida. I can help with loading. The automobile is at my restoration shop with gain access to for a commercial transporter. Being sold as is with clean title and costs of sale Fender tag checks out as; Decoding of Fender Tag: Bottom to Top, Left to Right Code Description BH23B = Plymouth Barracuda H = High 23 = 2 Door Hardtop GOBG = 318 230 HP 1-2 BBL 8 CYL 0 = 1970 B = Dodge Main, Hamtramck, MI, USA 113378 Sequence Number 113378 H6X9 Trim Grade/Style/Color H = High 6 = Vinyl Bucket Seats X9 = Black D31 Upper Door Frame: Light Duty 904 Automatic Transmission TorqueFlite EX4 Error 026919 Order Number: 026919 Y05 Built to U.S. Specifications FY1 Top Banana / Lemon Twist 000 Full Door Panel P03 Unknown At This Time EN1 End of Codes Assembly Line 1VX1 Unknown At This Time C55 Bucket Seats M21 Roof Drip Rail Moldings M46 Simulated Quarterpan Scoop R11 Music Master Radio AM M46 is a choice that you will only find on a barracuda in 1970 just. Simulated rear quarter scoops, Non practical, just for looks. It had a black out on the bottom sides, a blacked out tail panel and a blacked out grill and valance. The top of the side black out had a blue and white

or red and white reflective stripe. Very few made. Ive found 4 in 8 years. All with major problems. Out of all those automobiles (21,891) only 433 M46 cars produced, 415 M46 were V8. total amount of 15 M46 Convertibles.
